## The Staff of the TROJAN,

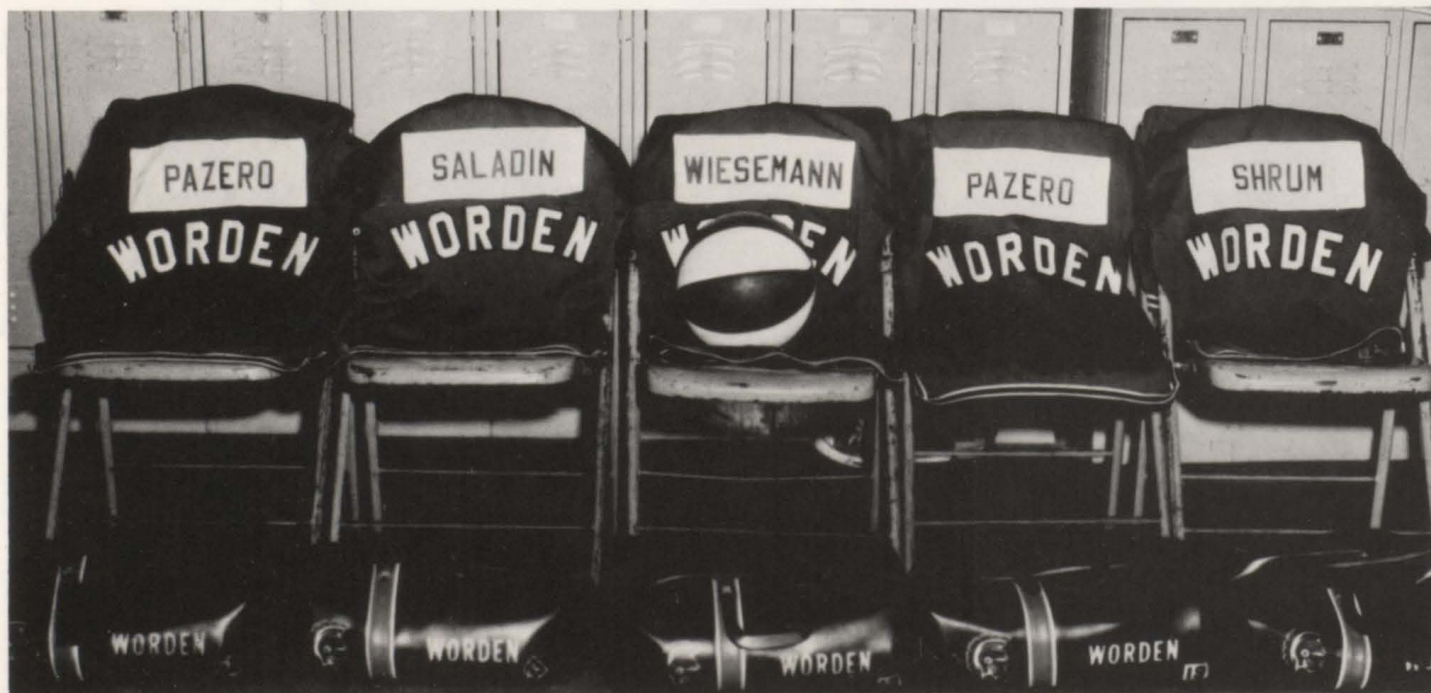

Darla, Editor, Mrs. Dagy, Sponsor, and Bobbie, Steve, Debbie, Blake, Larry, Jean, Rita, Dan W., Malia, Linda, Dan B., Kim, Sheri, and Sue

invites you to share memories of the 1973-74 school year. Look through these pages with us now and remember . . .

# The Way We Were

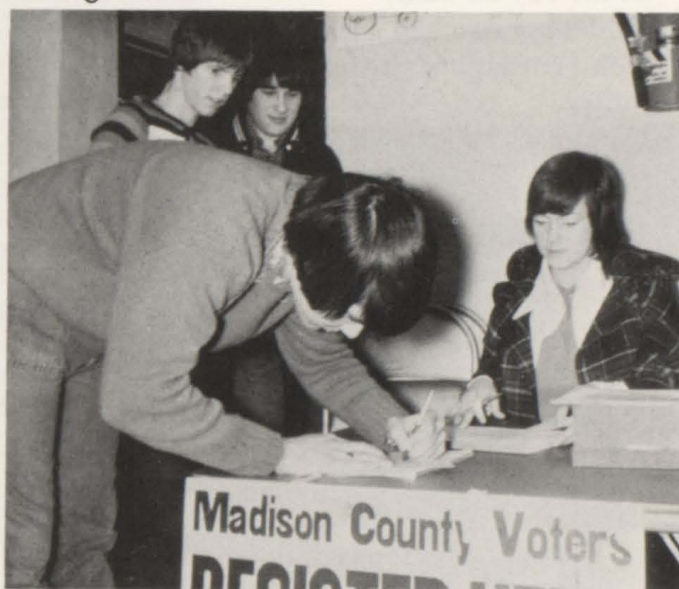

### Memories

Like the corners of my mind  
Misty water colored memories  
Of the way we were.

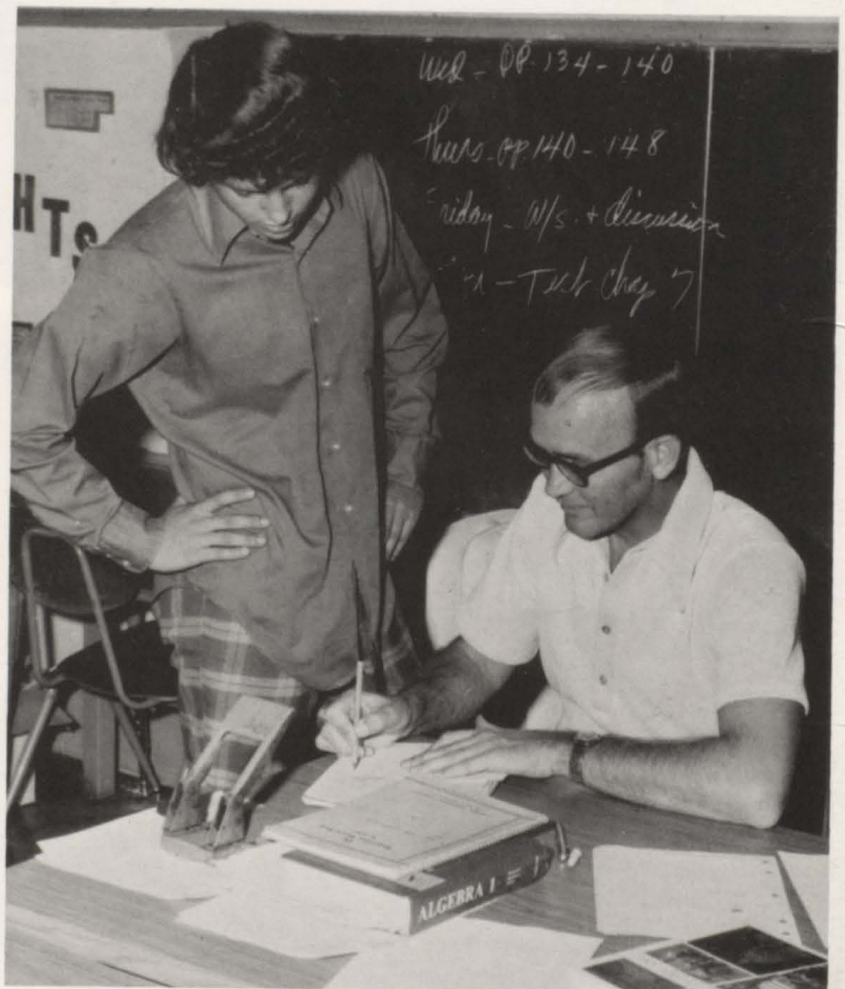

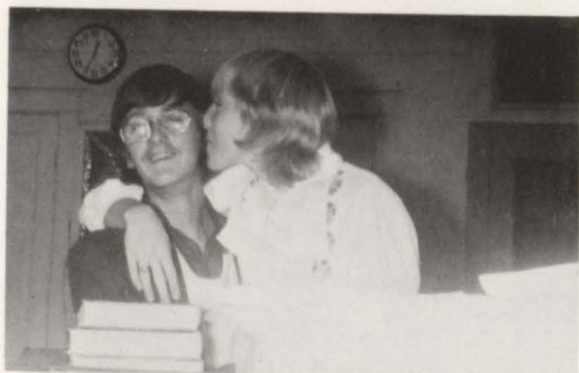

### Memories of:

the snow that cancelled school, dedicating the  
flag, cheering the Trojans to their Bi-County  
championship, lunch at the school cafeteria,  
turning 18!!

Scattered pictures  
 Of the smiles we left behind  
 Smiles we gave to one another  
 Of the way we were.  
 Smiles at basketball games, in class,  
 with a friend, and getting ready for  
 smiles.

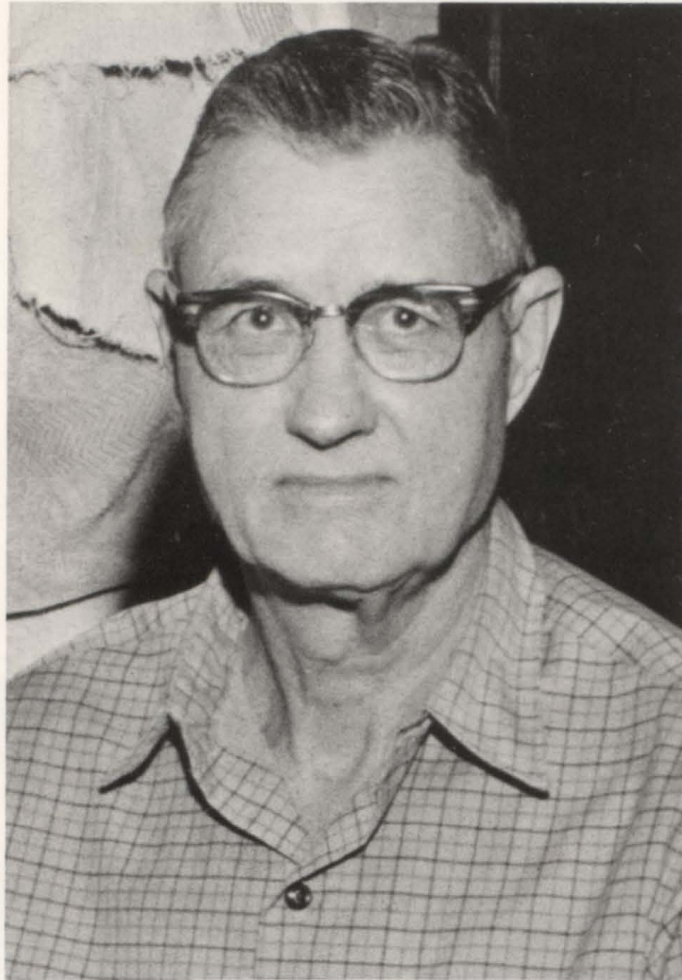

Could it be that  
it was so simple then  
Or has time rewritten  
every line?  
If we had the chance  
to do it all again,  
Tell me, would we?  
Could we?

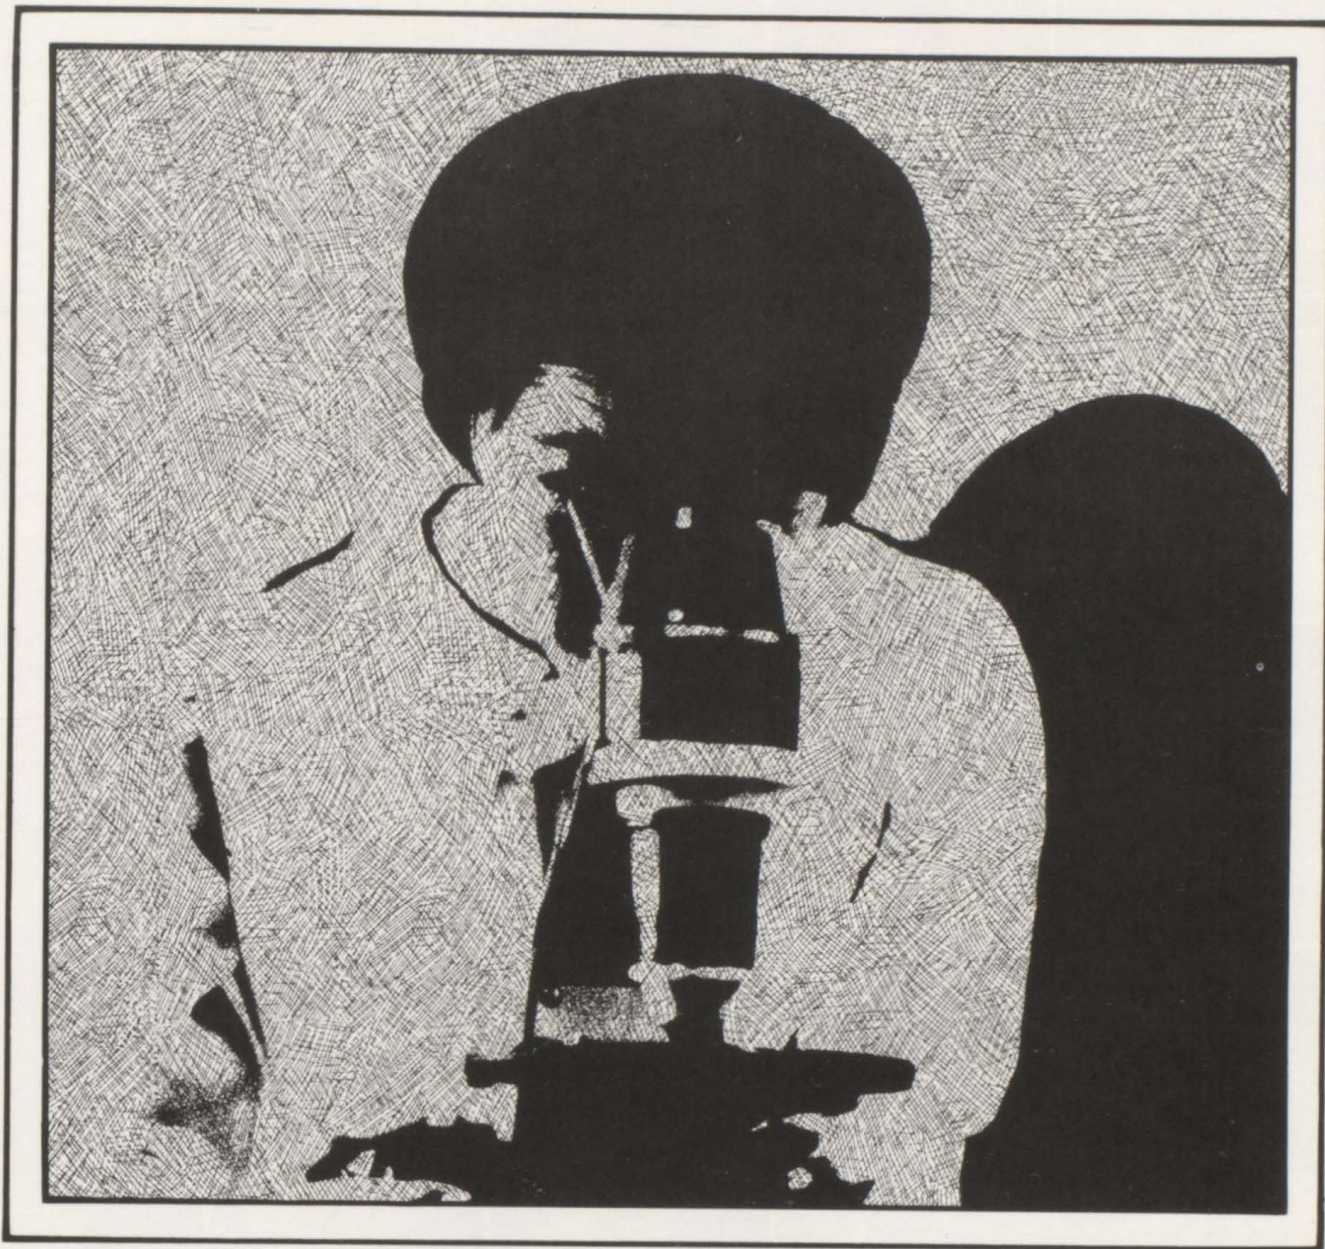

## James Woodward

Upon the retirement last year of Jim Woodward, Worden School District lost one of its most loyal and dedicated employees. Whether you called him the janitor, the custodian, Jim, or Mr. Woodward didn't make a great deal of difference to him. He did his job and he took pride in his work. For his many years of loyal service to the district, we dedicate this yearbook, the 1974 Trojan, to Jim Woodward.

The Easter vacation found this year's seniors at Holiday Inn - Lake of the Ozarks. We see Mr. Witthoft about to check Blake and Blaine's suitcases, Miss Milavec ready to take off, Linda unpacking her Pinto, Dube passing the luggage check, the girls in dresses!! and Larry explaining a new card game. The memories of the way we were on the class trip will be with us for a long, long time.

Whatever your memories of your senior year are like, there's no denying this is the way we were in '74.

This year nineteen Worden High students went to the Area Vocational Center in Collinsville. Thirteen Seniors went in the morning and five Juniors and one Senior went in the afternoon. Many happy hours were spent there learning a vocation as well as making many new friends with other area students.

Everyone will remember 1973-74 as the year it snowed and snowed and snowed. For the first time in many years, the district used all its "snow days." Although many people enjoyed the snow and the days cancelled, the Easter vacation was shortened considerably.

Before the play Darla makes up Steve, Kim does Larry, Susie applies make up to Wiese and Evelyn puts the finishing touches on Dan. There's time for Gladys to dry her hair and for Eric and Keith to ham it up; then, Kathy's in her prompter's spot and the curtain rises for "Learn Baby Learn." Mr. Fuzzy does his janitor thing, Betty and Orville get things taken care of before "the mob" descends. Miss Minnick announces to Dr. Joplin the arrival of Mr. Poppenberger. These people, along with Janell and Rita, made up the cast. The way we were - May 17.

Jericho provided music for listening and for those who felt like dancing. That's Larry saving the last dance for Blake, Eric and Cathy, Dean and Susie, and, as usual, Debbie dancing alone. The junior class also nominated Kathy O., Janell, and Cathy B. as queen candidates. Their escorts are Sidney, Richard, and Eric.

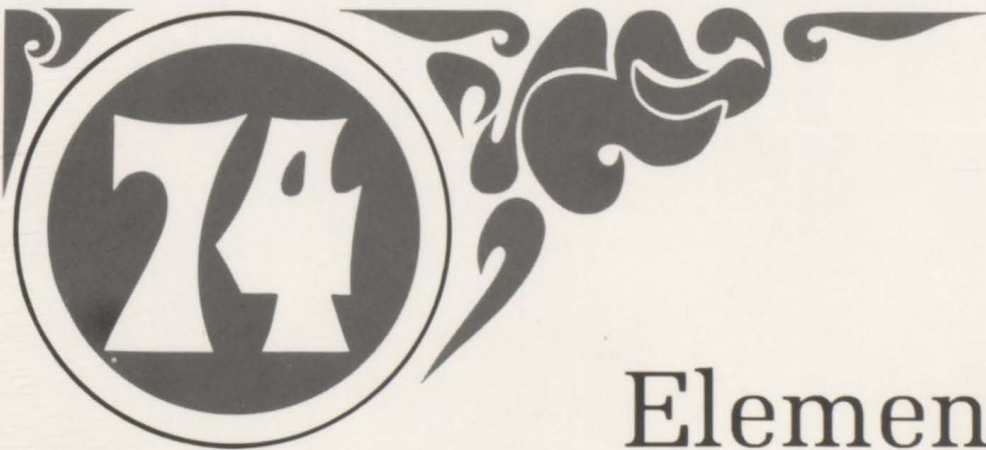

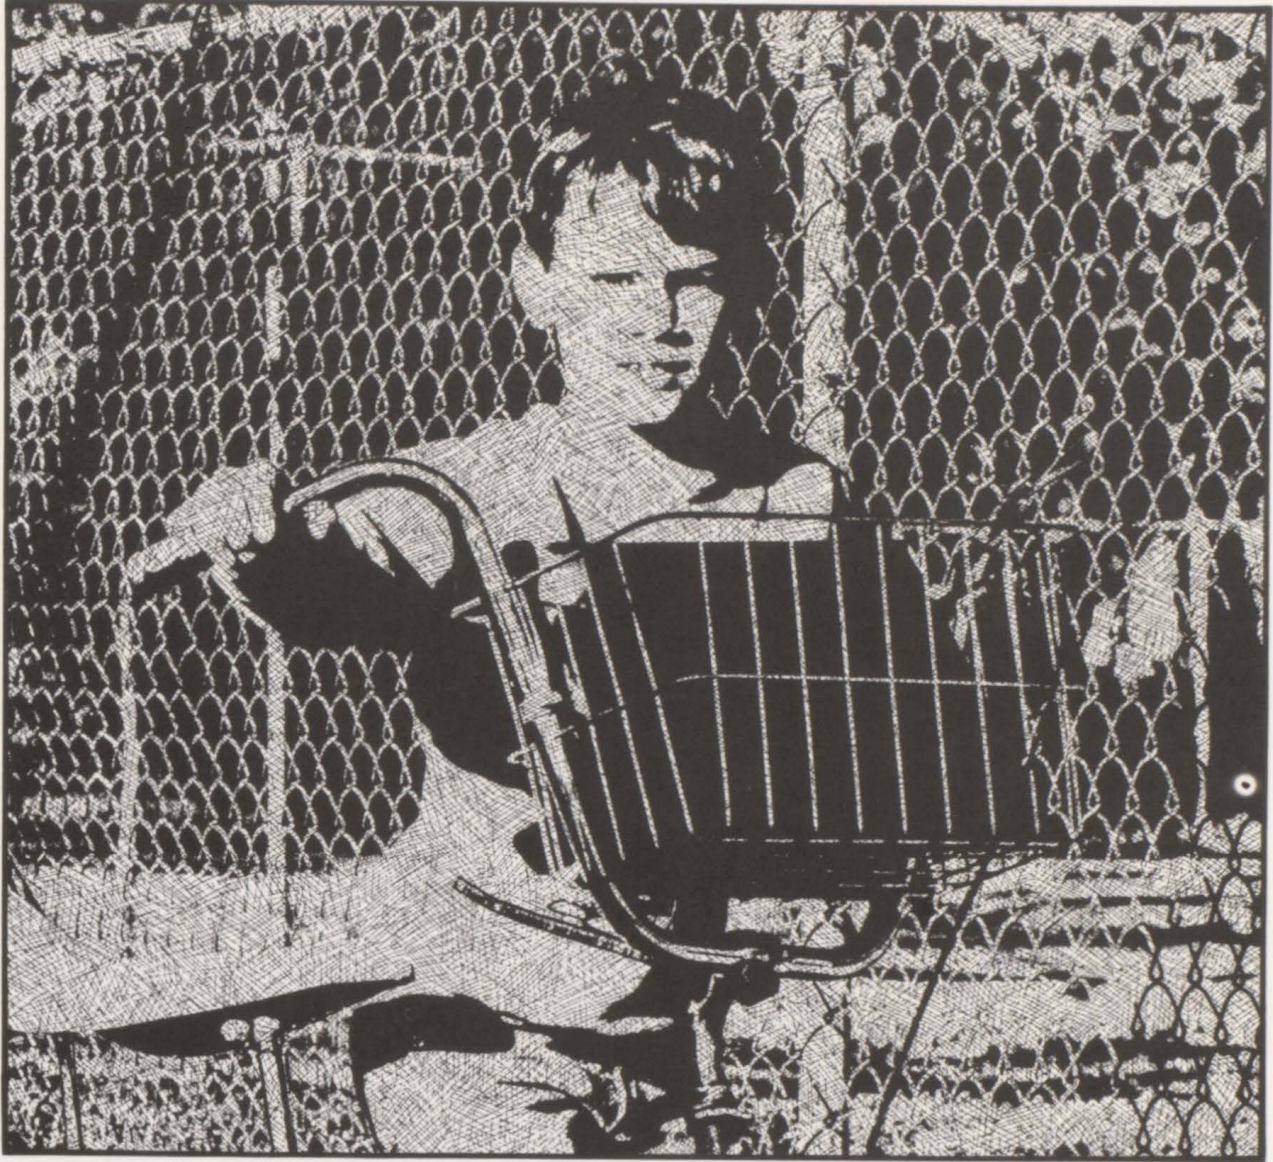

There's a little bit of "ham" in all of us. Not only the students, but even the teachers like to have their pictures taken.
